**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I want to keep my local broadband access competitive. I have recently swapped to fibre and want to keep my local Internet provider. Not only do they provide better local service for my business but they are also competitively priced. Please don't limit my freedom of choice, by eliminating local competition.
